Gears bring plenty 12/32 unless you're a seasoned cyclist, you don't have to use them all but there if needed.

This event is NOT a race. Please ensure you obey the Highway Code.

Only ride two abreast where safe to do so & never more than two abreast.

Please be courteous to other road users. You must give way at all junctions.

Please do not litter. Gel wrappers should not be discarded en-route.

In the event of an accident/collision please assess seriousness. Mobile phone coverage is patchy in some places.

In an emergency please call 999. (Life threatening, serious injury, unconscious casualty).

If you cannot get through please ask a following cyclist to make the call on your behalf further down the road where coverage is better. Consider using public call boxes or local residents/businesses if available.

If the incident/collision is more minor and you require first aid please call

The event Safety Officer on 07769675045

Alternatively, First Aid will be available at the half way feed station.

A sweep wagon will follow the event behind or close to the last cyclist. If you have a mechanical problem that cannot be fixed please call 07825354436 and they will come and pick you up

Please have a safe and enjoyable event.
